Canoe & Boat Permit Application – Ringland River Green

Background:

In 2009 the Environment Agency carried out extensive work to rebuild the badly eroded river bank at the Ringland River Green. Advice received stated this was in part due to extensive use from launching boats and canoes from this area. In order to protect any future deterioration of this area the Parish Council introduced a byelaw:

Byelaw 5.22

In this Part: 5.22 “boat” means any canoe, yacht, motor boat or similar craft but not a model or toy boat;

Boats

5.23. No person shall launch or land any boat, (dinghy, canoe, sailboard or Inflatable) from or onto any ground (The River Green) without the consent of the Council in writing.

At the March 2012 Parish Council meeting it was agreed to introduce a Permit scheme on a trial basis which would permit an applicant to apply and subject to agreement of conditions, receive a Permit giving permission to launch/land a ‘boat’ from this area. This will apply to individuals only (not Groups) and shall not be required for children’s inflatables. The permit holder must be present when using the river.

Residents of Ringland may obtain a Permit at no charge. For those applicants resident outside of the village then a £5 charge applies for the 12 months.

If you wish to apply, please read the terms and conditions overleaf and complete and return the following to:

Mrs Patricia Kirby, Clerk to Ringland Parish Council, 128 Fakenham Road, Taverham, Norwich, NR8 6QH
